

Chapter 9: Index

- agency involvement. *See* coordination
- air quality, 3-113, 3-257, 3-261
- airport. *See* transportation
- alternatives, 2-1
- comparison of, S-17, S-21, 2-32, 2-38, 2-39
 - considered for detailed study, S-11, 2-21
 - Alternative A, S-11, 2-23, 2-25
 - Alternative B, S-11, 2-23, 2-30
 - No-action Alternative, S-11, 2-22
 - development, 2-1
 - impacts, 3-1
 - preferred alternative (Alternative B), S-23, 2-42, 2-47
 - refinement, 2-17
 - screening, S-7, 2-1
 - segments, S-11, 2-21
- aquatic resources. *See* ecosystem resources
- archaeological resources. *See* cultural resources
- architectural resources. *See* cultural resources
- authors of this EIS, 6-1
- business impacts. *See* economic conditions
- climate change. *See* air quality
- commenting on this Draft EIS, S-34
- construction impacts, 3-254
- cooperating agencies on this EIS, 1-1, 5-4
- coordination, 1-32
- cost estimates for the action alternatives, S-23, 2-35
- cultural resources, 3-135, 3-258, 3-262. *Also see* Section 4(f) resources
- distribution of this Draft EIS, 7-1
- economic conditions, 3-67, 3-256, 3-261
- ecosystem resources, S-31, 2-45, 3-171, 3-258, 3-259, 3-262, 3-263
- energy, 3-250
- farmland, S-28, 3-24, 3-255, 3-260, 5-15
- floodplains, 3-196
- freight. *See* trucks
- greenhouse gases. *See* air quality
- hazardous materials and hazardous waste sites, 3-206, 3-259, 3-263
- impacts of the project alternatives, S-21, 2-39, 3-1
- induced development, S-29, 3-21, 3-23, 3-34
- joint development, 3-110
- land use, S-27, S-28, 2-46, 3-2, 3-255, 3-260. *Also see* induced development
- lead agency for the Heber Valley Corridor Project, S-2, 1-1
- mitigation, 3-271
- need for the Heber Valley Corridor Project, 1-9
- needs assessment evaluation area, 1-2
- neighborhood and community cohesion. *See* social environment
- noise, 3-122, 3-257, 3-262
- participating agencies on this EIS, 1-1, 5-4
- pedestrian and bicyclist issues, 1-20, 1-31, 2-20, 3-101, 3-256, 3-261. *Also see* joint development; Section 4(f) resources; social environment
- permits, reviews, clearances, and approvals, 3-266
- preparers of this EIS, 6-1
- preservation corridor, S-25, S-29, 1-15, 2-18, 2-46, 3-6, 3-21
- property impacts. *See* right-of-way and relocations
- public involvement. *See* coordination
- public safety. *See* social environment
- purpose of the Heber Valley Corridor Project, S-1, 1-9, 2-43
- quality of life. *See* social environment
- recreation resources. *See* pedestrian and bicyclist issues; joint development; Section 4(f) resources; social environment
- right-of-way and relocations, 2-19, 2-46, 3-77, 3-255, 3-260
- scoping. *See* coordination
- Section 4(f) resources, 2-44, 3-258, 3-262, 4-1
- social environment, 1-20, 3-44, 3-255, 3-260
- study area, S-2
- threatened, endangered, and candidate species. *See* ecosystem resources
- traffic. *See* transportation
- trails. *See* pedestrian and bicyclist issues; joint development; Section 4(f) resources; social environment
- transit. *See* transportation
- transportation, S-31, 1-12, 1-16, 1-21, 1-30, 3-81, 3-255, 3-256, 3-260, 3-261. *Also see* trucks
- travel demand model, 1-11, 2-35
- tribal consultation, 5-11
- trucks, S-32, 1-19, 1-31, 3-98
- utilities. *See* social environment
- visual and aesthetic resources, 3-218, 3-259, 3-263
- water quality and water resources, 2-19, 3-149, 3-258, 3-262
- waters of the United States. *See* ecosystem resources
- website for the Heber Valley Corridor Project, 5-26
- wetlands. *See* ecosystem resources
- wildlife. *See* ecosystem resources
